Scheduling will be done that week, so please be prompt. Our goal is to have the schedule ready to hand out at the February 23rd meeting.

ENTRY FEE: $8.00 per student. Please bring payment to the February meeting. **No refunds**. No admission will be charged for attendees at the evening concert.

STUDENT ENTRIES: Students entering should be capable of playing rhythmically in a group (can successfully play with a CD).

REHEARSAL TIME: Saturday, March 5th, all day. Detailed times will be handed out later (February meeting). ***Students MUST attend their rehearsal in order to play at the concert***. **NO EXCEPTIONS!**
If at all possible, plan on attending the rehearsals for the sake of your students. Please work out the page turns by:
1. Having students doing their own page turning, or
2. Having their own personal page turner (you)

All measures need to be numbered

Each teacher must enter both a primo and secondo for each duet entry. If this is impossible, contact another teacher for a partner and arrange for students to rehearse together or accompany that student yourself. Students may play one duet from the repertoire list and one from the ensemble list. There is no extra charge for being involved in both.
