We have prepared recordings for you to use in helping to decide which pieces you might like to use.

The entry fee is \$8.00 per student. Teachers must enter both a primo and secondo for each entry. If this is impossible, contact another teacher for a partner and arrange for students to rehearse together.

Age of students will be left to the discretion of the teacher. Keep in mind that playing with a larger group and following a conductor adds considerable challenge and music selected should be at a VERY comfortable level for the student. Rehearsing with a metronome, with a partner and with a teacher conducting will help students be as prepared as possible. Rehearsal recordings will also be available.

Please encourage MANY of your students to be involved – we would really like to see most of our students involved to make it a true multi-piano festival! Let us know if you have any questions or if there is anything we can help with.
